“ *I loved seeing Uncle Paul when he came to visit. I only remember he made me laugh. He was my mother's, Joyce Anne, little brother. Rest in Peace, Uncle Paul. I regret time and distance kept us apart.*

“ *When I was a little girl dad would always dance with me. I remember one time when we were living in Germany, we were at October Fest and dad took me by the hand and said lets dance. We danced for a long time and I felt like a princess dancing with her daddy. I love you daddy Paul and thank you for being the dad you did not have to be. I will miss you but I know I will see you again. Love Molly*

*Judy and family, I am thinking of you at this time of your loss. I remember Paul's humor and how he made JoAnn smile as they bantered back and forth during those visits we made to your home when JoAnn was still able to get around. Your friendship was priceless and the help you gave her warms my heart to this day. May God bless you and give you comfort and peace.*

*Love,*
