“ *We were Aaron's neighbors in Abilene, KS. We went up to NE one weekend for a hog roast. We all camped down by the river. What a memorable time. All kinds of antique engines and some sort of cannon (LOUD). We all felt like family after that short visit.*

“ *Paul was a great man who will be missed by many friends. One of our funniest memories was when he was on Larry Gregg's pit crew along with Max, Marlin Gregg and Dick Vaughn. Another driver came running up to Larry's car after a race and was giving him "grief"!! Larry was still buckled in so the guys came running out on the track and Paul was standing right behind the disgruntled driver. He turned around and looked UP at Paul and decided he better get back to his car! The guys had many a good laugh with Paul but always knew he had their back!*
