“ *Richard, Taylor, and Ashlie-*

*I am so sorry about the loss of your wife/mother. I will always remember her as such a fun, loving person. Peg's and my father were army buddies during WW II., When her folks moved to Grand Island in 1980, we always had such fun with them, whether it be having a picnic, playing cards, or just a nice visit. I always remember all of them especially when we had army buddy reunions- such fun people. All my love to each and every one of you.*

“ *Richard, Taylor and Ashley, I am so saddened and sorry for this sudden and unexpected loss. It's so hard to take in. I was thinking of the time, seems like 100 years ago, when you and Peg lived in Colorado, and we drove all the way from Ft. Collins to Pueblo for the Colorado State Fair--in that little Honda, which equates now to about the size of a Mini Cooper! Sending much love and prayer to you, Richard and family.*
