

Penny (Genger) Fuss

September 11, 1957 - October 14, 2021

Penny L. Fuss, 64, of Grand Island, passed away on October 14th while surrounded by her family, after fighting against pulmonary problems for many years. A Celebration of Life service is scheduled for Saturday, October 23rd at 11 am at All Faiths Funeral Home. Family will greet friends for one hour prior to the service.

Penny was born on September 11, 1957 to Charles and Mitzi (Quinn) Genger in Havre, MT, where she was raised and received her education. She graduated from Havre High School in 1975. Penny was a beautiful baby born with more hair than most two-year-olds.

On January 22, 1996, she married Brian Fuss. Penny had a love for music; playing the piano, guitar, and many other instruments. She played and sang in the Fabers Band and the Montana Mist band. She loved to sing whenever she could get an audience.

Penny enjoyed making dream catchers, and if you were lucky, she made one for you. She was an accomplished horse trainer and enjoyed her horses, especially her beauty horse. She loved her dogs, but more than anything, she loved spending time with her grandkids and great grandkids.

Those left to cherish her memory include her husband, Brian; children, Shawndell and Jason; grandchildren, Eric, Karessa (Justin), Dakota, Elizabeth (all of Nebraska), and Douglas and Bailey (of Colorado); great grandchildren, Aubri, Dalton, Justin Jr., Meredith, Jamisyn, Lorenzo; parents, Charles and Mitzi Genger; sisters, Terry (Ronnie); and Jodi; along with several aunts,

uncles, and cousins, and two adopted grandsons, Jacob and Kody Prunty.
Memorials are suggested to the Family for later designation.

“ *A few years ago, Penny burned her hands and arms very badly.....so badly, that they had to graft skin on them. So she decided that she must do something about it. And she did. She became a donor. Because of Penny, someone was able to have their skin grafted, and problems healed, because of Penny, someone was able to see, someone who couldn't see before. To me, this is such an unselfish act, and I think people should know about it. I am so proud of her for doing this. But then, I'm her mother and I might be a little prejudiced. Her Dad and I loved her very much.*
