“ *I have only now read of Rae's passing one year ago. My condolences to the Osenbaugh family and to Lee, her brother. Rae and I reunited a few years ago through Facebook. We knew each other many, many years ago in California because Lee and I were childhood friends in school and scouts. Again, I am so sorry for your loss.*

“ *I am so sorry to learn of Raes passing. I had the opportunity to meet her several years ago. She helped me sell things on ebay. I really enjoyed meeting with her. She was a very nice person and I liked working with her. God bless this family and comfort their loved ones.*
