“ *Ramiro was a great friend. He was always ready to help anyone out with anything you needed. He also was always laughing and joking around with everyone. I remember the first day I met him at work, he looked at me with my windblown hair and he said look it's Donald Trump because with the color and being windblown he said I looked like Donald to him and when I met his wonderful family that's how he introduced me to them as Donald Trump. I will miss him dearly and he will always be in my heart and thoughts.*
