“ Randy worked as my partner at RFR for a season of planting thru Harvest He was a Great coworker and even better Friend. We had so many laughs and pure joy of life in that time. When Randy moved to different employment, I was not very happy about it and told him so, but I understood. He loved is buddies so much, talked about them all the time. Randy always talked about his Grandchildren, his buddies, with so much love. In the short time I work with Randy, we where the R and R team of RFR. May God Bless your family Randy, each and everyone. You are still and always will be, the best partner I had on the planting and harvesting team. I have missed you from when you left RFR as a coworker. I will miss you even more now my friend. Much love and prayers to you the Family for the comfort from our Heavenly Father.

“ Kathy and family-Mark and I were so sorry to hear of Randy's death. Randy was our kids' SANTA CLAUSE for several years when we lived in Grand Island. I can so vividly remember his entrance and the kids were so excited that Santa came to visit. I will be forever grateful for the gift of Santa that Randy gave to our children. Please know that we will pray for Randy and will always remember him with a smile and love for him and your family. We know, because of our faith, that death is not the end but actually a new beginning. We also know that someday we will get to celebrate with Randy again. You are in our thoughts and prayers. God bless you Randy and thank you for being a part of our family.
