Raymond was always someone I looked forward to spending time with when we came to Nebraska each year when we were growing up. I didn't get to see him more often in the later years. I truly loved him and he will always hold a special space in my heart. Your cousin, Dave

Marylou, I was so sorry to hear of Ray's passing. I wasn't sure of your address to send you a card, since the last card I sent you came back. I'll try to send one later. I keep track of you through your girls on facebook. I have many fond memories of all of you when we spent holidays together and had such good times. I hope that you are doing well. May God be with you during this trying time. Love, Joyce
