“ On behalf of Grand Island Area Habitat, I'd like to extend our sympathies. In the hey day of our aluminum can collecting to raise money for Habitat, Ike was our guy at Kramer's. At first, our volunteers thought he was gruff, but quickly learned what a great guy he was. He was helpful and friendly to the countless volunteers we had with that program. Although we still collect and recycle aluminum cans, we won't reach the same volume again that Ike helped with. Thanks for sharing him with us.
