“ *I am so sorry to hear about Renee. It seems like when we were at Barr and Senior, we were always laughing and rolling her eyes. She had a great sense of humor and a big heart. My mom worked with Martha in the accounting business and also at the kids clothing shop at the house, so I was connected to the Heimbuachs that way too. Wonderful family!*

“ *Renee was one of my first official friends, when I became an ITEX Broker, her, along with her Mom, Martha, and a few others, took me under their wings, and helped to shape the Broker I am today. She was a caring soul, and always offered her help and support for many years. Knowing her for over 20 years, taught me how passion and love can defeat all obstacles and never to quit. I will miss her smile, her funny jokes, and her sense of humor that she always carried with her. RIP my sweet friend, and Thank you for everything and just being there.*
