“ *I am sorry I cannot be at Reva's service today, because of the weather. Reva was one of my traveling companions to many exciting places. She was alot of fun and a good sport. She liked to get a golf ball from the places that we visited, if they were available. My thoughts and prayers are with her family. From Judy Sullivan, Aurora, NE*

“ Gregg and Bernadette, I am so sorry to hear about Reva. I was just talking about your mom last week and was sad to hear that she had passed away. I worked with her in the office for 15 years at Rocky Mountain Forest Products. She was a wonderful mentor and friend. We shared a lot of goods times together. She was like a grandmother to my children. I know how much she loved her children and grandchildren. She talked about you often. I will always cherish the time we spent together. I will miss my friend. You and your family are in my thoughts and prayers.

“ Dear Family of Reva. We have kept in touch with Reva since she left Laramie. Last year I broke my leg so didn't get my yearly letter sent. Did get one out this year, but it came back. I am so sorry for your loss. She was a wonderful mother, grandmother. friend. . Mainly we gathered for our Monthly Dinner-Bridge Club. What fun we had! I also have some great recipes she shared, so think of her a lot! Cherish the memories you have which will keep her alive to you! I am sure you will always remember her advice! God bless you as you mourn and also rejoice basking in her love!

“ *Gregg & Bernadette, please accept my deepest sympathy in the passing of your Mother Reva. We shared many happy times together when she lived in Laramie. What fun we had at our bridge club. And for years, Reva & I enjoyed having lunch together on a weekly in our coffee room at Ideal. Although we kept in touch for many years after she moved to Grand Island, our letters became less frequent as the years passed by. (My daughter-in-law Pam was raised at Scotia, and still frequently checks the G.I. obituaries so was grateful that she came and showed me this.) Again, please accept my condolences.*
