“ *Im so very sorry to hear this. He and Eunice were great people. They were our landlords near Trumbull. We got snowed in and had no power or water. He came in his tractor and loaded the kids and us in his tractor, 2 at a time and took us back to their place where we stayed a few days until the power was restored. The county didn't clear the roads and he went back and cleared them in his tractor so the power company could fix the power lines. It was a blessing to know them.*
