“ *Rhonda,
Will always be in my heart. During a very difficult time in our lives we found ways to make one another laugh. She was always uplifting and kind. Rhonda loved her family more than life itself. Her quiet, sweet and gentle spirit will live on forever. Your family will continue to be in my prayers as you work through this painful time. Much love.*

“ *Romona, Nick, Renee also the Nelson, and Bartling Family: My deepest sympathy and heart feeling full of sadness...you have my prayers. For the journey you are taking this moment is full of grief...my prayers of comfort, strength, and peace are going up for all of you.*

Rhonda and I go back as far as South Junior High and what good times we all shared in those and high school days...but not only then, we shared some conversations during our adulthood. She will be missed by everyone that ever shared times with her.

She has not ended her journey, she has taken a turn into the everlasting life. She is an angel that God opened up and took her in His strong arms of love so she would no longer suffer the pain. The angels sang in the Glory Land when they knew she was coming to join them they knew what a jewel she was and is.

Keep her memories alive...remember her smile and humor.

The class of 72 will be missing an awesome classmate...this is not good-bye...this is see you later Rhonda...save us a seat in the grandest stands of Glory!
