“ Friends come in and out of our lives, and although I hadn't seen Dickie in 30 years, he was still my friend and I will miss him. I never had friends later in life like the friends I had when I was twelve. RIP Dickie Kemerling.

“ *Steph and family,
I am so very sorry to hear about Rich's passing. I remember when Rich was playing in a band back in the late 80's early 90's and I decided to go on stage and sing back up with them. I just remember looking back at Rich while he was playing drums and he was just laughing probably because I sounded ridiculous, but he was a real sport and didn't tell me to get off the stage. I know this is such a terrible time for your family and I pray that God heals your broken hearts. My deepest condolences, Teresa (Shelton) Hake*
