“ *I am Richies biological grandma Debbie Bueche. I was able to fly to Nebraska a few times when he was a little guy and we (my mom, dad, and Harmony) were fortunate to spend some wonderful times with him. He was so comical! I don't believe he really ever knew how much I loved him because we lost touch. I love you Richie. My heart is breaking. I am so sorry that your life ended too soon. Rest peacefully, my grandson angel 🙏❤️❤️❤️😭*

“Richie, I am so grateful I had the opportunity to work with you, Chey, and Steven. Your family was the first that I ever worked in a clients home and I was extremely nervous. From day one, you treated me like I was part of the family. I will always cherish the memories of helping you with your amazing son, discussing which Mountain Dew and Monster flavors were best, chatting about video games, and watching you be an amazing and patient father. Rest easy my friend!
