“ *Cindy & family,*

I am so sorry for your loss. Most people wouldn't describe an IRS audit as an enjoyable experience. However, the times I represented clients in audits with Dick, I found him to be an excellent agent. He was very knowledgeable and had the utmost integrity. I knew that his report would be fair and timely. As a result, I looked forward to audit with him.

Heaven's gain is our loss.

“ Cyndi,
I am deeply sorry for you and your family’s loss. Dick was a truly great person. It was enjoyable working in the Grand Island IRs Office for 8 years. Dick kept us on our toes with his playful pranks. He was a playful sport. His dry wit was welcome. As was his love for basketball and golf. Peace be with you and your family.

Prayers!!

“ I am so sorry i didn't get to say good-bye to Dick-just found out this AM that he had passed (07/29/2021) and missed both, the visitation and the funeral. Dick was my mentor when i began my career with the IRS and honestly believe he was the best the service ever had.

He was genuine, truthful, helpful, giving, and best of all, had a humor that only he understood. LOL! As I read his obituary and see his smile, it brings tears to my eyes that one of the good ones have gone to heaven and left us behind. My condolences and prayers to the family at this time and may the good Lord comfort you in your time of sorrow. So long, Friend and Thanks for all of your help!

“ I was blessed to work side-by-side with Dick as he helped our ministry, Mission Heart in Central City, several times get our “goods” brought to Grand Island to be stored until put on 40 foot shipping containers going to Chifundo Rural Health Clinic in Zambia. I “let” him forklift all the pallets into the OGT truck because he was so good at it! He was always “flexible” in letting MH items of all sorts be loaded even though it took “special handling” to pack everything in! 😊 All for the glory of God! He will be missed by this brother in Christ and many others I'm certain! Welcome to your heavenly home Dick! John 14:6 God is blessed by his presence.....

“ I had the wonderful opportunity to work with Dick on a few occasions and I'm forever grateful for those times. I'm sure he touched the lives of many people so to his family; I say thank you for sharing him with all of us. I know Dick wouldn't have been the gentlemen that he was if he had not had the support of his family. My thoughts and prayers to his family and friends.

Sincerely,

Derick

Cindy and family...

Sorry to hear about Dick's passing but also rejoice with his entry into the heavenly kingdom with God our Father! I knew Dick because of his passionate and detailed work with OGT and my association with the Lincoln branch. On several occasions he graciously provided resources, storage and other services for us in Lincoln to provide for ministry in that area as well as between the two cities and even down to Texas for hurricane relief. You could tell that he loved God and he loved people! We will all miss him for sure but can now look forward to helping him take care of God's warehouse in heaven! Peace!

“ I went to college and was in the same fraternity as Dick. He was so kind, smart and a good basketball player. I also remember how he was an encyclopedia of sports knowledge. He will be missed.

“ I am so sorry to hear this. I worked with Dick for over 25 years as he served as an expert witness for our Criminal cases. He was highly thought of, respectful, knowledgeable, and professional. I also really enjoyed talking basketball with Dick and about Hampton. My father was from Hampton and played basketball for the high school.

“ Always enjoyed going to OGT love to tease him and give him a bad time but he would tend to do it back. Dick so much enjoyed his job there and will be missed by many.
Dick is now Wearing His Crown of Eternal Life in Heaven. Jesus is the Hope in the dawn of eachday, the feeling of joy and the comfort that only he can give.
My deepest sympathy to his family, siblings and dear mother, who is a dear friend of mine. I will be sending a memorial to OGT.
Prayers, Love and Hugs!

“*Dick was such a servant! I work in the home office of Orphan Grain Train and he was such a pleasure to work with. So concerned with making sure that everything was in order and getting done even in his absence. He even called me while taking dialysis to discuss an upcoming shipment! Always thinking of someone else and serving the Lord. He will be missed but never forgotten. May God wrap His arms around you in comfort and peace. - Chris Carstens*
