“ Memories of Bob...too many to list. Making sure all my kids got to and from preschool and sometimes just a quick run through McDonalds on the way back to Wilma. Taking the big kids to play at the inside play area when the babies were sleeping, sneaking snacks from the cupboard when Wilma wasn't looking.... Bob showed my children what true love and caring are all about... Wilma was the only caregiver I left my kids with and Bob was one of the reasons.. He will be missed.

I had the great pleasure of working with Bob during a hospital stay at St. Francis. He had the most optimistic attitude of anyone that I had ever met and his daily words of encouragement made a lasting impression among all of us who had the opportunity to visit with him! What a special person! You are all in my thoughts and prayers.

Gina I am so sorry for your loss. Your dad was a awesome man and every time he stopped in Cairo he made sure to come and see me at the bowling alley and at the pump. I will greatly miss him. He lived life like he wanted to and it shows in how all of you are just as great as he was. Sincerely, jill Evans janssen
