

Robert "Bob" Garcia

September 8, 1941 - August 4, 2023

Bob described himself simply, “a father and a grandfather”. However, to his family, friends, and all of the other lives he has touched, he was so much more. A loving and supportive dad and gramps, Bob always put his family first.

He taught us patience, kindness, selflessness, unconditional love and more life lessons than we could ever be able to list. Dad loved his kids and grandkids during the brightest times in their lives, as well as our darkest times, his support never faltered. He loved to hear everyone laughing together, especially while playing card and board games.

Dad never wanted a big fuss to be made for him during his life, and he asked that a big fuss not be made in his death. So, our family simply asks that if Dad brought a spot of brightness to your life in any way, spread that brightness on. Let your loved ones know they are loved, perform a random act of kindness, or wear his favorite color, pink.

A gathering of Friends and Family will be held Saturday, August 12, 2023 from 4-6pm at the Shelton Community Center. In lieu of flowers memorials are suggested to a local charity of your choice. In honor of Bob please wear pink.

“ So many memories from my youth spending time at Farm with the Garcia Family . Was always good to catch up with Bob at the farmers market or a ballgame over the last 10-15 years. Simple and “no fuss” was Bob. He always worked hard and was a good steward of the earth and it’s abundance. Bob you were “one of a kind” May he be at peace. Hoping all the wonderful memories comfort all that miss him. Sadly, we will be out of town on the 12th with my mom (Patty). -Amy (Feldman/Richter) Parker
