“ Mary I am so sorry for the death of your beloved Bob, I have so many good memories of the times living a few houses apart, but the one that comes to mind is when Cody and I came over so Bob could show Cody to tie a tie. He was so humorous doing that. The numerous stories of his growing up and the lightening stories. When leaving at times I would give him a hug and give him some advice and he would always laugh. I pray Mary that God will keep you close and help you through this sad time.
