“ Floyd became Rocky when he was just a small toddler. His Grandpa n Grandma had a Motel court on the south edge of Grand Island, his mom would go and help clean the cabins and his Aunt Babe and I would take him outside to play. Well the road was gravel going into the court, he liked to throw rocks which would have been ok, but he would stick them up his nose also!! One time he got the rock packed up his nose so far he had to be taken to a doctor to remove it!

*His stories, and there are many will be missed by all.*

*So sorry for your loss of your Son, Father, Grandpa.*
