“ I haven't seen Gene since he graduated from Greeley High School but I have great memories of him as the tall athletic baseball and basketball player, emulating James Dean, and driving fast cars. As a 7th grader fresh out of graduating from a one-room country school he made a tremendous impression on me (positively different). Very sorry that he has departed life at such an early age.

“ My condolences to the family of Rod Fisher. He helped start the Vintage and Classic Wheels car club. He always had a friendly word to say whenever he was out and about. You will be missed. Jim Hansen

“ My thoughts and prayers go out to Rodney's family. I mowed his lawn for several years and really enjoyed working for him. After I would mow his lawn we would talk for a while, mostly about the weather or our favorite topic, the Huskers. He will be missed.
