“ Cathy and family,
I just wanted to be certain to extend my condolences to all of you. It was a privilege and honor having the opportunity to know Rodney. I pray that he is at peace and that each of you will find peace in his passing. Cathy I promise to stop by the farm sometime soon to visit with you personally as well as meet Jason. "Hot Rod" as I thought of him because of what I had the opportunity to learn about him, was an awesome individual in my mind. With God's grace we will all be sitting at the Lord's table when our opportunity comes and able to be with Rod again.
Cathy, good luck with the kittens.
See you soon, I will call first before I stop by.
