“ Ron and I graduated from Central City high school 1961. He was always doing for others and had a great smile. I hadn't seen him for years, then I was a nurse at St Francis Hospital and he came to visit a family member. I guess we hadn't changed that much when he wanted to ask a question and he said his name I knew him. We talked about some of our other classmates. Had seen him at a grocery store some time ago. I could tell when we talked what a great family man he was and how proud he was of his children. Prayers for all of you at this difficult time.
