“ Ron and I were very close. Because my mother worked, I stayed at his house every day after school and all day in the summer. It seemed like we were brother and sister with Patty as our little sister. I loved him dearly and will miss him. I know we will meet again in heaven.

“ Mr. Wiese was my history teacher in central city high school. I also spent one class hour correcting papers and doing any other jobs he found for me to do. He gave credit for answering questions in class and i found that easy. One. Semester i had answered so many of the questions that i threw his curve of grading off as i had a 99 Average. I wasn't that smart but i just knew his to answer his questions. He was my favorite teacher.
