“ *Larsen kids:*

Sorry to hear of your Mom's passing. Rose surely had a great sense of humor and lots of patience, given just some of the antics, you kids pulled back in the 60's and 70's. !

Well, Lori gets a walk on this one....as she came a bit later.

You have all turned out very well, so Rose & Jim's quiet work must have done the trick.

She will be missed. Carry her memory forward.

Be Well.
