“ *Jim and family....Only a very few times in our lives, we are blessed to know someone like Sandy. We've only been neighbors since spring, but feel so fortunate to have talked, laughed, spent time, and enjoyed Sandy's fabulous baking..the ones she called "experiments". Our property manager, Lila, told us we would love having you both as neighbors, and she was so right. We will continue to enjoy the view of her flowers, the birds, and the memories she helped us make, even for a short time. Our hearts are sad and we pray you will find comfort in the joy she brought to so many. All our love, Lou and Carol Tjernagel*
