Our thoughts and prayers are with all of you at this difficult time!
Sandy was such an uplifting person and we have great memories of her in our "younger" years. She was such a blessing to so many!
We are so grateful for the times we spent together. Never would I have thought that her life would be cut so short and so quickly. May you find peace and love from all those around you in the days, years, months ahead! She will be watching over all of you always!
