“ I worked at Sam's Club for over 30 years. I worked with Saul at Sam's Club since 2008. He started at the door before he went to the gas station until his death. I was a substitute at the gas station until December 2022 and I went out to the gas station permanently. He taught me a lot of things at the gas station. My prayers 🙏 are with Yolanda and family. We trade our work schedules I usually once a month. When he has to go to Omaha for VA hospital. I worked his shift and he works my shift. I remember when he gets to the exit door with Sylvia. Sylvia always gives me and Saul an evil stare at us when he comes by the exit door. We both were laughing at Sylvia because of her stares. I will miss Saul at work and his compassionate to the members and his colleagues at work.
