

Shane Alan Stauffer

December 12, 1960 - March 20, 2020

Shane A. Stauffer, 59 of Grand Island, formerly of Cozad, Nebraska.

It is with great sadness that the family of Shane Alan Stauffer reported his passing on March 20, 2020.

Shane was born to Gerald and Janet (Ade) Jacoby in Pomona, California.

Shane was raised in Cozad Nebraska where he graduated from Cozad Senior High in the class of 1979.

While in Cozad, Shane enjoyed hunting and fishing with his grandfather, restoring automobiles with his uncle and cheering on the Huskers. Shane had many hobbies but two of his favorites were his WWE wrestling and his love of comic book collecting.

After graduating high school Shane was employed with Tenneco Automotive in Cozad and then went on to do some traveling where he worked on the Alaskan Pipeline. Shane returned to Cozad and worked for Pete's electric until moving to Ravenna where he met his wife Shannon Hopkins. From this union he was blessed with three children, Jake, Jessica and Jordan Stauffer.

Shane returned to Cozad where he worked at Sonny's superfoods until he relocated to Grand Island. While in Grand Island he worked several years for Obermiller Seamless.

Shane's lifelong battle with diabetes and other health issues required a more hands on approach, therefore Shane chose Tiffany Square Care center in Grand Island Nebraska as his final home where he was cared for by many who loved him until his passing.

Among those left to cherish his memory include his mother, Janet (Don) Wagner of Omaha; his father Jerry (Verlene) Jacoby of Fort Collins, Colorado; his children, Jake, Jessica and Jordan Stauffer all of Kearney; grandchildren, Nikayla, Kyler and Lyric; sisters, Angie Stauffer, Heidi (Todd) Dvorak, Lisa (Tom) Plahuta, Teresa Jacoby Delarosa and Amy Jacoby; aunts, uncles, nieces, nephews, and cousins, and his cherished Parkview United Methodist church family and friends.

He is preceded in death by his grandparents, Norton and Mildred Adle, Evelyn Adle, Henry and Lois Jacoby; stepfathers James Stauffer and Richard "Pete" Peterson and sister-in-law Kathy Donnelly Stauffer.

Remember not my fight for breath Remember not the strife. Please do not dwell upon my death but celebrate my life.

Memorials are suggested to the family to be designated appropriately. There will be a celebration of life held for Shane at a later date due to the recommendation of the CDC regarding COVID-19.

All Faiths Funeral Home is entrusted with the arrangements. Online condolences may be sent to www.giallfaiths.com

“ *I went to visit Janet/Shane while I was in the navy. Shane was a toddler in a play pen by the living room window. On the window sill was a long ivy plant and the ivy was hanging down into his play pen. He would grab the ivy, look at me and I would frown - he would let go of the ivy and continue with his cuteness. He would grab the ivy, I would frown and he would let go and a few minutes later he would grab it, I would frown etc. for quite some time. Finally I was wondering what a smile would bring about. Yep, the next time he grabbed the ivy I smiled and into his play pen tumbled the ivy, pot and all :-)*

“ *Shane helped me figure out what channels I had available on my tv. He was always willing to help. Fish fries at Norton Adle's house always included all family. I'm so sorry that Shane has passed.*

Sending my condolences to Shane's family. We've been like family for many years and I send my love to each of you. I remember living across the street from Shane when we both worked at Tenneco in Cozad. He was very happy working there and coming home to his kids. He and his son Jake watched WWE whenever it was on. Hugs to Jan, Angie and Heidi. Love you all.
