“ I can't tell you how much I have missed this lady. She was one of my very favorite patients. The kind you go into the room and sit down and just talk. She was the greatest story teller. I was always very amused with her tales. I always said she could hold her own with anyone after hearing those stories! We had a great friendship and it was difficult to see her move to Grand Island and lose her as my patient. She was always a trusted source for any of my cooking questions. My husband and I were a couple of the very few she allowed to come visit in the kitchen at the Albion Country Club. She was a master cook!  
She was fiesty and loving, wild and caring, and had a very dear heart that I knew loved me too. I missed her when she left Albion and I will miss her even more now when we cannot keep in contact. May the Lord bless you and keep you my dear Sharon! ❤️ Sandy

“ I knew Sharon for 45 years. I have sooooo many memories of her. She did make a mean ass fried chicken. It was the best ever, so good that in fact when my son got married "Aunt Sharon" had to make his rehearsal supper. She was a great lady and I will miss her.
