Sheila began working for the Grand Island Public Schools at Walnut Middle School in the fall of 1967. After forty-seven years of working at Walnut, Sheila retired in March of 2014 due to failing health. Sheila's Walnut family knew her as a hard-working and loyal friend. Her commitment to the students' and staff's wellbeing, her upbeat attitude, and her sense of humor will be greatly missed!

Sheila lived every single day of her life to the fullest. She loved country music, old time rock and roll, dancing, playing cards, board games and bowling. Any day where she could be surrounded by her family and friends, while enjoying or dancing to her favorite tunes or playing any number of card or board games would be considered a fabulous day.

As Sheila gallantly struggled with her health this past month, the love and respect that her family and friends had for her was evidenced by the continual flow of countless visitors to her hospital room. Many, many people consider it an honor to have known and loved Sheila Myers.

The family would like to take this time to recognize the tremendous support and care that has been provided for her by the staff and nurses of Skilled Care, as well as the doctors and nurses of the Cancer Treatment Center.

Sheila loved her interactions with these compassionate professionals!

“ *I love Sheila and her family. I first grew to know her as a young child in Palmer Ne. Her family lived there for a few years and my Mother, Louise Davison and Margie were best of friends.. All of us got thrown together for swimming parties , lunches, playing in the sand pile and you name it we did it.. After her family moved to GI we still kept in touch with her Mother and always saw Sheila at her Moms for noon meals she always came and at with her Mother. Also attended birthday and wedding celebrations..She will always live in our hearts and can hear that laugh of hers forever...Love you Girl !!Bonnie Beed*

*To Sheila's dear family, I am so sorry for your loss. Two of my kids went to Walnut all three years of middle school, but I didn't realize she had retired or was so sick. She was always very kind & smiling. A true asset to the school & everyone she knew & cared for. Wishing you fond memories and happy tears of all your special times with such a wonderful lady.
