“ I met Sheri when I worked at Casey’s in 2014. She always had a smile on her face and a positive comment to give a customer. I will always remember how excited she was when she first found out about her great grand children. Family and friend were everything to her and she always was always excited to see what fun she could have on her days off. Hanging out and going for a drive with her husband was another thing I remember her talking about a lot. I know she is looking down watching over all of us. Love you too the moon and back Sheri!!!

Love,
