“ *Sheryl Y. Shriner*

“ *Sheryl and I were friends for several years. We met at a bricklayers function and became friends. She was such a lovely lady. We shared many likes and our children. We babysat for each other's children and was always a friend when you needed one. After she left Grand Island we grew apart. Was so happy when on a day I went to K mart and found out she had returned. We shared a friend in Grace Hatcher. Sheryl was like her daughter. When Kmart closed we kind of lost each other again . We always thought of each other and often said we would get together for lunch. Then Larry became ill and I spent the next three years not leaving him for time to get groceries . I know the battles she had with her health the last years. She recovered from her hip surgery, but never thought it was right. She had such a loving family. Was always proud of her children and grandkids. My prayers are with all of you at this sad time. Lorraine Barnes*

“ *Dear Sonja and family, I am so very sorry to hear about Sheryls passing. I just lost my grandpa in January and my dad in April so I can sympathize with the grief you all are now experiencing. Losing a parent is especially a loss that none are truly prepared for. Your mom was a very special person. I am so blessed to have reconnected with your folks when they came to Primrose to play cards while I was working there. I will miss writing her letters and sending pictures of the girls. Please know that I am very honored to have known her and my thoughts and prayers are with you all.*
Deepest sympathy,

“ *Stacia, Sonya, Shari, and Tara -- What a lovely tribute to your Mother. While I didn't know her personally, I know that she raised a smart, caring woman in Stacia. I am grateful to Sheryl for giving Stacia to the world. May her memory be a blessing! Deedee Peterson*
