

Shirley Maureen Leago

November 8, 1939 - June 3, 2016

Shirley M. Leago, 76 of Grand Island passed away surrounded by her loving family on Friday, June 3, 2016.

Visitation will be held from 4 to 7 p.m. on Wednesday at All Faiths Funeral Home followed by rosary at 7 p.m.

Services will be held at 11 a.m. on Thursday at All Faiths Funeral Home. Fr Richard Piontkowski will officiate. Burial will follow at Grand Island City Cemetery.

Shirley was born on November 8, 1939 only daughter of Emil and Erma (Arp) Colfack in Stuart, NE.

She was raised in Atkinson where she graduated from high school in 1956.

Shirley continued her education attending Lincoln School of Commerce earning her secretarial diploma. Shirley was involved in numerous activities in both high school and college.

On October 24, 1959 she married Jasper Leago in Atkinson, the couple made their home in Houston, TX. In 1976 they moved to Grand Island. Shirley was employed as the secretary for local insurance agencies in both Houston and Grand Island.

Shirley was a member of St. Mary's Cathedral for many years. She was an avid reader, enjoying novels and Christian literature. Most recently she had played Scrabble online with her friends. She also loved Christian music, especially the classic hymns. As a loving and caring person she would put the needs of others above her own, but her faith was always first.

Shirley was a well loved and devoted wife, mother, grandmother and friend. She will be missed by many.

Those that will cherish her memory include her husband of 57 years, Jasper of Grand Island; children, Kevin (Traci) Leago and Shireen Tyma both of Lincoln; brothers, Denton Colfack and Dennis Colfack both of Atkinson; her grandchildren who called her "Nena", Briecen Tyma, Braeden Tyma, Sharisa Tyma, Coby Leago, Kendra Leago, and Caleb Leago; along with numerous extended family and friends in both Texas and Nebraska.

She was preceded in death by her parents.

Memorials are suggested to the family to be designated later.

“ Thinking of you always mom, even more today as I know it's been a year and half now since you physically left us. Today was a lighting of candles in Grand Island, eventhough I wasn't there physically I was there spiritually. I know our entire family loves you and misses you very much. I still can't believe you're not here to where I can reach out and talk to you, so many times I'd like to, and I get very sad. There's got to be a reason mom, only God knows. “ Hi Jasper, hope you are doing ok. I know you miss her so much and will always love her. When you all moved away, Richard and I was so sad. We lost two of my best friends (we were more like family). Shirley was such a special person, always smiling and always thanking me when I would go and get her and the kids to come over for dinner (you would be helping Richard in the store). She loved my fried shrimp. She would say, Mary you make the best fried shrimp ever. Even though we were so far apart I still cry and miss her so. Jasper I want you to live strong for the Lord and for your children and grandchildren. Shirley would want you to be there for them because she loved them so much. They are hurting also and they need their Dad and Papa. Be there for them as if Shirley was still there. Love your wife and tell her every night, when God is ready for me to come home you will be ready.

I love you Jasper and next time I text Shireen I want to hear you are doing better and enjoying being with your family. Also enjoy your grandson's wedding. Go with bells on and look up and say to Shirley, I know you are looking down at our grandson getting married. Love to all.

My dear friend Shirley - yes, I miss you so much~~just to pick up the phone and chat with you whenever the urge came to me - towards the end we were calling each other "Sis" and that was a treasure to me. We had been friends even before we were married - before we met our guys from the Lincoln AirForce Base - seems like so so many years ago - so I truly do miss her and have her pic on my desk where I see it every day and think of her so much. My dearest mom, as I write this with tears flowing, I miss you so much and will always. Words will never show how I (we) really feel towards you, but I know you knew how much we all loved you, and told you that every single day. I always told you if I could take your pain away I would, but felt helpless as on this earth there's only so much we can do. You told me if something ever happened to you that you'd be in a better place. Thank you mom for all you did for me for my entire life. I will love you always until eternity. Your son, Kevin

“ *Nena, you were and always will be my angel. You were always there for me when I needed you. You always put your loved ones before yourself.*

I miss you so much. I can still feel your presence in my life and I know that you are watching over me and the rest of the family, especially Papa. I know that God has a place for you in heaven. We will all be reunited in heaven someday.

Thank you for taking care of me all those years. I will never forget your spaghetti. I will never forget the happiness that you brought me and I will never forget your love for me. You are the best grandma I could have ever hoped for.

I will share a picture of you and Daisy. You two were so adorable together. We love you Nena! You will never be forgotten! Your memory will always be with me! Goodbye Nena dearest.

“ Uncle Jasper, Kevin & Shireen

I am so sorry about your loss. Aunt Shirley was very special lady who meant so much too many people, she will be missed dearly. My heart is filled with sympathy for you and your family during this difficult time. It's hard to express my condolences from so far away, but please know that I'm thinking of all of you. Aunt Shirley was such a light-hearted and loving woman. She always had a smile and a friendly word for everyone she met, and would always open her heart to all of us. What a joyous and youthful spirit she was. I know how much pain this loss must be causing you. I also know that Aunt Shirley left you with so many happy memories to treasure as you heal. The strength of those memories, along with the support of your family and friends, will help you get through the days, weeks and months ahead. I love you all very much and I cannot take away your pain, but I can listen if you need to talk.

*You are in my thoughts and prayers,
Love Peggy Sue Garrett*

“ It does not seem real that you are on this page. I will share this memory:

I remember going to Sears back in the day when you drove that gold Oldsmobile and helping pick out a two wheeler for Papa's father's day present. I was maybe in 4th or 5th grade. Well, you were afraid of not being able to fit it in that little Oldsmobile and hurting the interior. I helped you fit it in the backseat and told you it'll be fine, no worries. The first of many more times I told you it would be fine and not to worry and you told me I was a huge help. You always made me feel like I was a huge help back then and to now. That feeling is not something I'll ever let go of. Thank you for that...and for letting me take over your deck with hot wheel cities.

Miss you and love you

“ I'll never forget when my brother brought home his beautiful bride to be i was about 6 years old and I thought she was the most beautiful girl I had ever seen. I ran around the outside of the house about 3 times I was so excited. I also remember when she was pregnant with her children I would rub her feet for her, I so looked up to her. The family was visiting us when my date was leaving the house and Shirley asked me would I marry him if he asked and I answered yes. My husband Kenny has always loved this memory because she was like kinda prophetic there because we hadn't been dating long. I still can hear her voice and her laugh ! Not that long ago she called when Nebraska girls volley ball team was playing UT ,my husbands Alma Mater, and of course she was delighted Nebraska won. Shirley loved her family dearly and we loved her ! She will be missed by all who knew her and until we all meet again Shirley I know your enjoying the presence of The Lord and all the family gone on before especially your mom ! We know you are now healed and free from this fleshly body.
Love your sister-in-law

“ IN LOVING MEMORY OF MY DEAREST MOTHER- To My Dearest Mother, how you have left me too soon. Time was near when your butterfly came to your window. I love you, miss you, and will always cherish our lives together and especially the last 3 months I spent with you while you were sick being by your side holding your hand. Caring for you. Giving you kisses on your cheek. Sharing precious memories of being your little girl. All the years after. And our planned memories for our future. I am empty, heartbroken, lost and sad without you and still feel you with me as you have never left my side holding my hand. You will always be with me in spirit. Always in my heart forever more. As the Lord has taken you home, so will I be with you, Mommy, again. You are no longer in pain, sick and suffering. The Lord has you in his hands. The angel candle has been lit for you for eternity. Always and Forever, Your Daughter, Shireen
