“ *Sonda was a very good friend of mine who I met through her husband and a longtime friend Curt Fuller. My condolences go out to him. They were a perfect match together. Sonda was a person who always had a smile on her face and was very kind to me and made me feel comfortable to be around. Such a blessing. After learning from her husband that Sonda was called home by our Savior Lord Jesus Christ, Sonda was free of pain. And I was sad. But I know that her memories and friendship to me hold a special place in my heart. My thoughts and prayers go out to her husband, and I thank you Curt for sharing such beautiful faithful wife and friend to me. Sonda is a proud member, as she joyfully sings in the "Angels Choir."*

“ Sonda, I will miss your kind, gentle, beautiful soul. You were my sister in law, and a big part of our family. Your courage in the last few years was amazing. Love you forever, dear sweet girl! ❤️ Launa

“ I have known Sondra since we lived in the same neighborhood in Capital Heights. We were reacquainted when Kurt started going out together. She had a sparkle in her eye whenever her and Kurt were together. After they were married she used to bring over meals as I was recovering from cancer. She was always there with a smile on her face and came out of her she'll to help people. My prayers go out to Kurt and her family. God Bless

“ I remember being at backyard football games and Sonda always cheering everyone on. She always wanted Grandpa to know the score. She always greeted with a smile and a hug. One time she made Launa follow Kurt to Mom and Dads to make sure he got there with a bad fan belt. She always remembered people birthdays and made special cards for them. She was a very creative gift giver and her gifts were always something needed. I will always remember how happy Kurt was when they were together.
