“ Steph was such a good friend. I always liked to turn to her for guidance and loved talking to her about everything. We always joked around and laughed and i am really going to miss her. I lost touch with her these past few months and i really wish i would done differently. But i am thankful for the time i have gotten to share with her. My kids all loved aunt steph and we are all here for you guys if you ever need anything.

“ I worked at the Saddle Club with Steph. She was caring and kind. She loved her boys so much. I was sorry to hear of her passing. God bless her family and her children. My son was about Grey's age and we loved to share stories of our boys when we worked together.

“ *I worked with Stephanie at the Saddle Club and Uncle Ed's. She was one of the best food servers around in her prime ❤️ We were the take care of the homeless kitty cat crew. She had a big heart and loved animals. I hope her boys knew how much she loved them as well. I pray for peace in her family and friends hearts. She had much to give the world. Hoping she found peace in her heart on the other side. God Bless.*
