Steve was born on February 5, 1940, in Norton, Kansas, the only child of Lawrence and Corinne (Munson) Gleason. He grew up in Hastings graduating from Hastings High School in 1958 and from Hastings College in 1963 majoring in Business and Sociology. He was united in marriage to Sharon Bassett on June 22, 1963. Steve and Sheeré lived in Omaha for a brief time where he was a department manager at JC Penney's. Wanting to impact children's lives, they moved to Kearney where Steve attended Kearney State College graduating with a degree in Education. In 1966, he began a 33-year career with the Grand Island Public Schools. For two years, Steve taught 5th grade at Starr Elementary before becoming a principal at Jefferson. While working for the Grand Island Public Schools, he attained a Masters Degree in Educational Administration from the University of Nebraska. Steve was a

principal at Jefferson, Stolley Park, Seedling Mile, and Gates before retiring in 1999. After retirement, he worked as a substitute teacher in Grand Island before becoming a supervisor of student teachers for the University of Nebraska at Kearney. Steve helped Sheeré teach Sunday School at Trinity United Methodist Church for over 30 years. They also taught ballroom dancing for many years. He was in the Army Reserves from 1961 to 1967.

Steve was an avid sports fan of the Huskers, Royals and Chiefs. He was an excellent tennis player and enjoyed working in the yard.

Steve is survived by his wife, Sheeré of Grand Island; four children, Steve and his wife Michele of Omaha, Scott and his wife Ondria of Tulsa, Oklahoma, Bob and his wife Mindy of Wichita, Kansas and Christy of Sioux Center, Iowa; and 9 grandchildren.

“ Dear Sharee and family,

My condolences to you. Steve lived on St. Joseph Street in Hastings and my family lived on Kansas Street, all on the 13th block back in the 50's and 60's. Back in the late 50's my friend Corrine and I were playing tennis at the tennis courts across the street from Steve's house, and he and his friend, Dan Stowell, came over to watch us play tennis.

After we finished the game they ask us if we would like to take a ride with them in Steve's car. (We were 15 years old at that time.)

Well, they took us out around Lake Hastings and brought us back.

Our parents found out about it and 'grounded' us for 2 weeks. A few months later Dan called me and ask me out. I had to decline

because I was not allowed to date yet. He called me back after I

was 16 years old. Long story short, Dan and I married in October

1964 and he was the 'light in my life'. Every once in awhile we would

reflect on that event at the tennis court. My Dan tripped on an

uneven sidewalk across the street from our home here in Ventura,

CA last May and passed two days later.

I know that God continues to watch over you and guide you all.

My sister Karen said that she had taken dancing lessons from Steve and you, Sheree!

What fun she had! Thanks for the memories.

“ Both Steve and Sheree impacted me significantly as a child. Him as my principal at Seedling Mile and her as my dance teacher. What a great family for the Grand Island community. He leaves a wonderful legacy and his impact will live on through all of his students. Keeping the entire Gleason family in my thoughts.

“ Dear Sheere' and all the Gleason family,
Steve's leadership, concern, and thoughtfulness became real to my family soon after he arrived at Jefferson Elementary as principal. My mother, Sonya Miller, got to know and admired Steve greatly through their work together in the Jefferson PTA. When she died in January 1975 we asked Steve to serve as a pallbearer because we knew how much she respected him. At Trinity United Methodist Church, Steve and Sheere' provided to me an example of true devotion and care through our Sunday School class and many acts of kindness and support in every endeavor. Well done, Stephen, good and faithful servant. May you rest in peace.

“ Mr. Gleason was a Great principal at Jefferson Elementary and an even GREATER Person!! The last time we visited with Mr. Gleason and his wife, Sherry, was around 2 1/2 yrs ago at Wal-Mart North in Gl. He remembered us and all of the Salinas Family. A few days later, a Card arrived at the parent's house on Broadwell Avenue in Gl from Mr. & Mrs. Gleason. The Card stated how Happy him & Sherry were to have visited with us. What a kind and most sincere gesture. Thank you for your utmost dedicatation to the future of thousands and thousands of youths whom you have positively affected! Rest-In-Peace Mr. Gleason... You will be Deeply Missed---

“ *Sheere & family, We are so sorry to learn of your family's loss of such a great man, father and just a kind gentle man. After being in the dance programs at the Y, with Angie and Wendy, we learned to love him as much as we loved Sheere. We always looked forward to their "finality" dance at each dance recital. He was truly an unspeakable support at those recitals, for Sheere. We hope your memories and the love everyone has had for him, will help ease the loss you feel by knowing how many lives he has touched. Chris and Bob Peterson*

Sheere and family,

What can we say except we cared very deeply for Steve. His influence on me, Linda, has made me a better person. His positivity could never be matched. Even though he went through serious health problems he continued to be positive, encouraging and a great influence on me. So many wonderful things can be said about his contributions to the community of Grand Island. His life left a great influence in Grand Island and beyond.

*Gleason family, we are so sad and so sorry for your loss. Sheere, we haven't been able to make connections for the last few years. I will call you next week to have lunch with you. With love

Mr. Gleason became our Principal at Jefferson and has become a good friend, mentor, and advisor. I feel that he made a huge difference in my younger years and throughout my choices in my career. I welcomed every chance to see and visit with him and Sheree. Many of us followed his path in the Grand Island Public Schools and even more young children, teachers and everyone that ever knew him! I share stories of my experiences as a young student with Mr. Gleason and only hope that his family can share in the many many wonderful experiences we all had with this caring man. We all will miss his smiles and kind words of wisdom. Heaven has received a monumental person in Steve.

“*Steve was my favorite boss of all times. He trusted us as teachers to do our job like we should, so we worked extra hard for him. He got me back into the teaching profession, and I was so blessed to work for him at Gates. He was previously my children's principal at Stolley. I was very fortunate to stay in touch with him and have breakfast with Steve and Sheree on a few Saturday mornings at the "Cow Palace". What an amazing team they were. He touched so many lives in such a positive way. Heaven has gained a wonderful angel.*”

“ I have many fond memories of Mr. Gleason at Jefferson Elementary, but one was in senior high school when I performed as Charlie Chaplin in a play in 1978. Mr. Gleason had cut out my picture from the paper and sent it to me with a very nice note (which I still have) saying, "Hi Mike, Saw this tall fellow & said -- that's our Mike! Hope the play goes well and much success for the future." And when my Mother (Shirley) passed away in 1997, he came to the memorial services. Such a nice thoughtful man, a truly great man. RIP

Steve was always so kind to me and one year I dropped off Christmas cookies and mentioned how much I loved the Christmas piano music he was playing. Not long after I received my own Christmas Piano CD with a Wonderful note written to me expressing how much I meant to Sheere' and him. I have had thus CD for many years and it is the first one I always plan in honor of both Steve and Sheere'. Blessings and hugs of comfort. ❤️ Charlene Hansen-Webber

“ *I had Mr Gleason as a principal my sixth grade year at Stolley Park school back in the 80's. He was an amazing and fun principal. I remember being in his office for something (I wasn't in trouble) and he got me a can of sprite from the teacher's lounge and let me sit and hang out in his office after I got done with helping out. He had great ideas like the murals of us in the gym at the school (which stayed there for many years to come after we left). He always had a smile om his face and he was by far my favorite principal. He will be missed by many. Prayers to his family.*

“ One of the kindest, caring, giving, wonderful men I have ever had the pleasure of knowing. It started when I went to Jefferson Elementary. He was the principal and my dear Aunt Charlene was the secretary. Steve and his beautiful wife, Sheere', also were my High School Sunday School teachers at Trinity United Methodist.. Sheere' also taught me how to tap dance & soft shoe for GISH's 1979 production of "No, No, Nannette". He remained a part of our lives when Dad retired from New Holland and began working at Gates Elementary as a custodian....Steve was the principal there also. When Dad had prostate cancer surgery at the Mayo, Steve came by the house to advise us on what to expect as he had also been to Mayo for the same surgery. When I read that he wanted to impact children's lives, I smiled, because he truly has impacted mine in the most profound and lasting ways. Heaven has truly gotten another Angel, and I know his mind and body are at peace. God Bless You Mr. Gleason!
