“ I was lucky to meet Steve around six years ago at our Friday morning church group. Always had a positive attitude and always put a wonderful, insightful point of view on everything! Just spoke with him a couple weekends ago as we would always run into each other at his granddaughters' sporting events. He looked great and he was very happy. He was laughing and giggling with me like we always ended up doing when we would chat. I would also like to extend my condolences to the family and friends. If anyone deserves to be in heaven it would be Steve.

“ Steve and I were friends in High School. I had kind of forgotten that he was born on Valentine's Day. Which is certainly a big deal in Valentine Nebraska. He was a great athlete , a good student , and always the same. His sister Connie was just the cutest and sweetest gal.

Two fun memories were when Steve recovered a fumble in the end zone for a touchdown, during the Rangeland conference champion game.

Steve entered the bareback riding At the high school rodeo a couple of times and rode them to the whistle.

“ I am saddened to hear of Steve's sudden passing. I was a fellow classmate of the VHS class of 1966. I will always remember his almost constant smile and cheerful attitude. He always seemed to have that little twinkle in his eye and you never quite knew what his next action would be. My condolences to the family and and friends and my prayers are with all of you.

Our wish that the wonderful memories of Steve help in this sad and difficult time. Pat spent a great deal of time at the Todd home with Connie in her younger years and have very fond memories of Steve. Larry was in the same graduating class at Valentine High School and also had many fond memories of Steve. The family has our deepest sympathy and are certainly in our prayers. Steve had a warm and gentle personality and will be greatly missed by so many. Thinking of you and yours, Pat and Larry.
