“ Steve was always wandering around Fonner during live racing and give me his picks for the day. It was remarkable how well he would do and not spend much money. K remember one time he won several hundred dollars and insisted that he buy me a beer! So I drank one while he figured out his next bet.
He will be missed. Prayers to all his family and friends!

“ I met Steven when he went to summer youth group at First Presbyterian Church. As a first time sponsor, I appreciated his kindness and smiles. Junior high kids are not kind to their peers or adults -- God bless junior high/middle school teachers. I couldn't handle it, but Steven stuck with it.

Over the years I would see him off and on and offer a smile whenever we were close enough to make eye contact..I will always remember his smile.

My deepest sympathies to your family.
