“ *My condolences to Steve's family. Steve was my pledge son at the University of Nebraska. We were close friends. I moved to Australia in 1967 and we lost contact.*

I was able to track Steve down in Denver in 2006 where I visited him twice. We even got together for a Nebraska football game. Steve had a quick mind, loved Ray Charles and had an opinion on most everything. He told me how much he loved his grandson and daughter and of course his mother, who sadly I never met or can remember. On March 14, 2012, Steve sent me a article he wrote entitled "THE ARMY" It is his thoughts and observations on Vietnam after 40 years, plus his training experiences. I think he wanted Roman to have a copy when he was older. Please email me on mon avale88@bigpond.com if the family would like a copy. I miss him.
