“ I worked with Sue back in the late 80's, at Park Place Nursing Center she always had a smile for everyone. Never complained, or ill words for anything. Although I have moved away (North Carolina) and it has been awhile I still remember Sue smile and was sad when I saw it on this page. She was truly great to work with and hope you find comfort in all the kind words spoken of her.

“ My heart goes out to the Zabka family for the loss of a very special woman. My memories go way back to growing up with the Irvin family, and the fun times we all had at the Dam. Grace, Virginia, & Sam, I am at a loss for words. You all were a BIG part of our lives. Special times I have always cherished.

“ I was so saddened when I read about the loss of Susan. Sue and I spent many weekends camping and raising our children together at Headworks in Genoa. She was such a joy to visit with. I will forever remember her kind heart and beautiful smile and now that I know she loved tulips, I will forever think of her when I see tulips. My thoughts and prayers go out to Tim and the family. Susan will truly be missed by those who loved her. In Sympathy, Don and Kandy Mustion

“ Sue is always smiling even as life became complicated. I would even bet she is comforting the other angels in heaven. She was a hard worker with a compassionate spirit. She touched more lives than she knows. This has been more evident by the number of clients, staff, and visitors at Park Place who have expressed heartfelt stories. I feel lucky and honored to have worked with a wonderful lady . You are missed and will never be forgotten. God bless Tim and his family. Melanie Dvorak

Our deepest sympathy to the Irvines, Becks, and all of Susan's family. Susan Kay Irvine & I (Susan K. Petersen) went K thru 12th grade together (just the 2 of us in our class for most of our time at District 21 country school). Had recently had a nice visit with Virginia & we talked about Sue still working at the care homes & her family. I have many great memories of her & our years growing up together. God bless all of the family & her. Our thoughts & prayers are with you all. Sue & Craig Foss
