“ My prayers are with you. Sue was beautiful, inside and out. She came into my life at a very special time. She was selfless. And she loved her family so much. I loved hearing her talk about all and seeing her pictures. My memory is her strong faith and uplifting spirit. And she told me to never quit feeling no matter what. That's how she lived her life. And I was privileged to have her as a friend. And I will for a lifetime. We needed her but our heavenly Father needed her more. Because he needs our strongest and best warriors. And her family will be her legacy. I will miss you Sue. God Bless you all.
