Susan's family will be greeting friends an hour before service time. Memorials are suggested to the family to be determined at a later date.

Susan was born on January 13, 1947, in Great Bend, Kansas, to LC (Bud) and Josephine (Seeger) Pryor. She grew up in Great Bend and was a proud graduate of the class of 1965. She continued her education and graduated from Fort Hays State University in 1972.

She was united in marriage to Gary Rosenbach on January 6, 1973.

Throughout their marriage they lived in several cities and states before moving to her favorite location, the farm near Dannebrog.

This is where all of her passions truly thrived. She was able to share her love of animals, especially horses, with her daughters. She spent countless hours sitting through riding lessons, going to horse show, and just watching them ride. Susan always believed in giving back and served as the Chairperson for the Nebraska State 4-H Horse Exposition for many years.

Susan loved gardening and could get any plant to thrive. She is well-known

for her floral quality sunflowers and extraordinary garlic and shallots. She was even dubbed the “garlic queen.” Susan brought much of her produce into the kitchen where she could turn anything into a gourmet meal. There wasn’t anything she couldn’t make.

She was an avid quilter and you could often find her at her machine working on a new pattern. She was extremely precise and never started a project without reading all the directions first. Some of her favorite quilts were the two she made with her grandson.

For the last twenty years, she worked at Stuhr Museum teaching classes for the education department. She truly loved interacting with and teaching kids about what it was like to live in the 1890’s. She often said she was going to retire, only to say, “well maybe I’ll teach one more time.”

Those left to cherish her memory are her husband Gary of Dannebrog; two daughters, Jamee (Jeff) Bockerman of Hastings and Allison Rosenbach of Grand Island; grandsons Brodyn, Hadyn and Hudsyn Bockerman; sister Jody Zink of Pratt, Kansas; and niece Hayley Zink of Turon, Kansas.

She was preceded in death by her parents, and her in-laws.
