“ *I had the privilege to grow up with Susie. Susie was a girl but was as tough as any of her four brothers, who were all pretty tough. When it came to hitting a baseball and playing she was as good as any one around. Two of Susie's brothers, Dick and Mike were my best friends and we all went to Vietnam and stayed friends until their deaths. I never stayed close friends with Susie but through her brothers and cousins I always kept tabs on her. A fantastic person who loved life and I only hope that her kids and grand kids know what a fantastic woman we all lost.*
