“ I have old home movies of Susie when she was rolling around and laughing in a crib when my mom and dad Aunt Carol and Uncle Jimmy were babysitting her she was probably about 1 to 2 years old. I hear she always had a smile on her face and brought a smile to other people we will miss her and prayers go out to her family

“ I have-old home movies of Suzie as a baby when my parents, aunt Carol and uncle Jimmy, with her in a play pen laughing and some of her laughing and rolling around, barely a year or 2 old. She was a happy baby and although I didn't see much of her over the years, I hear she still laughed and loved life. She will be missed and prayers go out to her entire family.

“ *We were belly dancing at Shimmy For The Cure in Topeka, KS, and Sue was riding in my car after the performance and laughing. Sue was surprised to hear me "cussing" as she thought I was a quiet, serious person but was glad to meet a different side of her "shimmy sister." We had so many good times dancing with Prairie Moon troupe and she will be missed by all of us. Thanks for the memories Sue, My sympathies go out to your family and loved ones in this time of grief. #lovelikeSue*
