“ My family is recognition of Ted in Jean-Georges were very close. I hope the dead did not suffer too much as Mom and Dad have already passed and dad used to get such a kick out at it cuz they were always pulling pranks on one another! I hope that people of Grand Island especially the area realize what did had done for the children and the Sporting Park that he developed all on his own and Jean! They will truly be missed and God bless this wonderful guy! Gary, gregg, and RaeAnn send there sincere condolences!!!
