“ *TJ was a great guy that was willing to do anything to help me out. We haven't hung out in several years but I will miss him. My favorite memory of TJ is that he taught my daughter the Wheels on the Bus song. I am very sorry for your loss and I will keep you all in my thoughts.*

“ *Linda, Tell, and Crystal,  
I am very sad to hear about the loss of TJ. Although it has been years since we have seen each other, TJ was a very special person to me and was my best friend growing up. I have countless memories of us "camping out" in the suburban, riding bikes together, and watching wrestling. Silly memories, but ones that I'll have forever. He was a great friend and will be dearly missed. I am sorry for your loss and you have all my prayers in these trying times.*

*Best wishes,

“ *Linda, Tell, and Crystal,  
.I am soooo sorry for your loss.  
There are no words that can give immediate comfort at this time, but just know how much I care for you. I pray God will give you comfort and peace in the days and years to come. I never had the pleasure of meeting TJ but I am sure he was awesome. He had your genes...
