“ Teresa was a joy to work. She helped me problem solve many troubles with HR paperwork. When my brother in law with Downs Syndrome moved in with me she became a greater friend. Jay was a HUGE fan of wrestling and I was not. Teresa helped me with all the Wrestling lingo making my time with Jay easy. I like to believe Jay met Teresa in heaven and they both went off in a corner to discuss the latest wrestlers. :)

“ *Teresa and I worked closely even though I worked in Lexington at CCC and she was in Grand Island. I knew I could always ask questions or get advice. I always could count on her and so enjoyed her sense of humor. She will be missed greatly.*
