“ I can truly say that Terry is one person I wish I had spent more time with. He was my kind of guy. We had some times together, hanging out with my half brother, going to races, and other places. Genuine down to earth person, no facade to put on, we could just be ourselves. I am proud to say he was my friend. Art Dieckmann.

Terry, my thoughts and prayers are with your family at this time. Terry was a good friend and fun to hang out with. I remember all the fun trips to Kearney we had.
