“ *Lynda and families: I am just now learning of Tom's death. I worked with him at Miracle-Ear in Kearney. He was a delight to work with. He always had an uplifting story to share. My daughter and I had a blast at the lake when you hosted a work picnic. May your sadness gently turn into sweet memories.*

“ *Tom was a friend to many and I was so blessed to call him mine as well. Last night I was remembering one day a few tears back when I arrived home, my smoke alarm had malfunctioned and was blaring loudly and my dog, Reggie, was absolutely terrified. I couldn't get it to stop and called Tom and he dropped whatever he was doing and came to our rescue. He was like that - always there if you needed him. The world will be a little smaller and sadder without him, but heaven will be even brighter. I love you Lynda and will be there for you.*
